

The MSF Flight program supports the efforts of young athletes striving to achieve their goals athletically and their goals off of the court. They are challenged both on and off the court with a high-level training program that will help them maximize their personal physical skills. Your participation will help build partnerships that will make a difference in the daily lives and future endeavors of our athletes.

Your donation will go directly towards purchasing uniforms, equipment and making sure all players are able to play no matter their financial abilities. In exchange for your donation, MSF Flight will be pleased to recognize you in the following manner:
